Sir:

**REQUEST FOR REFUND TO DEPOSIT ACCOUNT**

On February 24, 2011, Applicants filed an Amendment responding to an Office Action issued for the above-identified application on November 24, 2010. The Amendment filed on February 24, 2011 was a bona fide attempt to respond to the rejections set forth in the Office Action.

The undersigned subsequently received a telephone call from the Examiner explaining that certain text formatting appearing on page 2 of the Amendment appeared incorrect. To ensure that there was no misunderstanding about Applicants' intended response, the undersigned prepared and filed a Supplemental Amendment on March 1, 2011 which was essentially identical to the Amendment filed on February 24, but with the text formatting issue corrected.

It appears that the Patent Office charged Applicants a \$130.00 fee for a one-month extension of time when the March 1, 2011 Supplemental Amendment was filed. Because Applicants timely filed a bona fide Reply on February 24, 2011, it is respectfully submitted that the Patent Office should not have charged the undersigned's deposit account for the one month extension of time filing fee. Accordingly, the Patent Office is requested to credit Deposit Account No. 14-1140 in the amount of \$130.00 to refund the fee charged in connection with this application on March 10, 2011.

Serial No. 10/551,250

If Patent Office personnel have any questions about this matter, they are invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
